

No one is immune to identity theft.

Better Protect What Matters Most.

Identity theft can affect anyone—from infants to seniors. Each generation has habits that savvy criminals know how to exploit—resulting in over \$43 billion lost to identity fraud in the U.S. in 2022.¹ Take action with award-winning ID Watchdog identity theft protection.

Greater Peace of Mind

With ID Watchdog® as an employee benefit, you have a more convenient and affordable way to help better protect and monitor your identity. You'll be alerted to potentially suspicious activity and enjoy greater peace of mind knowing you don't have to face identity theft alone.

Awarded Best in Class Identity Protection Service Provider for Consumers

Why Choose ID Watchdog?

Advanced Identity Theft Detection

We scour billions of data points—public records, transaction records, social media and more—to search for signs of potential identity theft.

Greater Protection & Control

We've got you covered with lock features for added control over your credit report(s) to help keep identity thieves from opening new accounts in your name.

Dedicated Identity Resolution Specialists

If you become a victim, you don't have to face it alone. One of our certified resolution specialists will personally manage the case for you until your identity is restored.

Extensive Family Coverage

Our family plan helps you better protect your loved ones² with personalized accounts for adult family members, family alert sharing, and exclusive features for children.

Our U.S.-based, customer care team is here for you 24/7/365 at 866.513.1518

What You Need to Know

The credit scores provided are based on the VantageScore 3.0 model. Any one-bureau VantageScore uses Equifax data. Third parties use many different types of credit scores and are likely to use a different type of credit score to assess your creditworthiness.

(1) Locking your Equifax credit report will prevent access to it by certain third parties. Locking your Equifax credit report will not prevent access to your credit report at any other credit reporting agency. Entities that may still have access to your Equifax credit report include: companies like ID Watchdog which provide you with access to your credit report or credit score, or monitor your credit report as part of a subscription or similar service; companies that provide you with a copy of your credit report or credit score, upon your request; federal, state, and local government agencies and courts in certain circumstances; companies using the information in connection with the underwriting of insurance, or for employment, tenant or background screening purposes; companies that have a current account or relationship with you, and collection agencies acting on behalf of those whom you owe; companies that authenticate a consumer's identity for purposes other than granting credit, or for investigating or preventing actual or potential fraud; and companies that wish to make pre-approved offers of credit or insurance to you. To opt out of pre-approved offers, visit www.optoutprescreen.com. **(2)** Monitoring from TransUnion and Experian will take several days to begin. **(3)** There is no guarantee that ID Watchdog is able to locate and scan all deep and dark websites where consumers' personal information is at risk of being traded. **(4)** The monitored network does not cover all businesses or transactions. **(5)** The Identity Theft Insurance is underwritten and administered by American Bankers Insurance Company of Florida, an Assurant company. Please refer to the actual policies for terms, conditions, and exclusions of coverage. Coverage may not be available in all jurisdictions. Review the Summary of Benefits (www.idwatchdog.com/terms/insurance). **(6)** Applicable for enrolled family members only. To review ID Watchdog Terms & Conditions, go to idwatchdog.com/terms.
