HIPAA Plan Special Enrollment Notice

If you are declining your enrollment under the Plan, or declining coverage for your spouse or one of your dependents, because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in the Plan if you or your dependents lose eligibility for that other coverage, or if the employer stops contributing toward such other coverage. However, you must request enrollment within 30 days after you or your dependents' other coverage ends, or after the period for which the employer ceased contributing toward such other coverage if such payment applied to your circumstances.

In addition, if you have a new dependent, as a result of your marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

To request special enrollment or obtain more information, please contact the Plan Administrator listed in the Summary Plan Description or contact the Human Resources department staff for further information.
